The JAM Fund charity is officially registered with the UK charities commission (# 1115913) and was established in 2005 in memory of our 5 yr old son Jamie. The charity is very small and is run on a voluntary basis by family and friends who are all in full time employment and do not receive any payment whatsoever for their work for the charity. Jamie's charity has so far (up to May 2008) raised £130,000. We do not have offices or large admin fees so every penny you donate goes to helping the children we support from all over the UK. For more details and to see how your money is spent please visit our website at www.jamfund.co.uk - **and most importantly,**
